

Abraham and Sarah

Noah learnt that God keeps his promises, and Abraham and Sarah had to learn that too. When they were very old God promised them a family. Even though they were already very old they had to wait even longer for that promise to come true. They were learning to trust God as never before. Eventually God kept his promise and they had the gift of children and grandchildren and great grandchildren..... and eventually Jesus was born into their family line. The greatest gift of all.

Game: Follow the leader

Choose a leader or "head of the line". Others all line up behind the leader. The leader then moves around and all the followers have to mimic the leader's actions. Any players who fail to follow or do what the leader does are out of the game.

What was difficult for you to do, and why?

Story: [God's promise to Abraham](#) - Crossroads Kids Club

Just as when Noah looked at the rainbow, he would remember God's promises, so when Abraham looked at the stars he would remember what God had said to him. We saw how Sarah laughed at Abraham when he said that he still trusted God, but God kept his promise and eventually she gave birth to a baby and they named him Isaac, which means laughter.

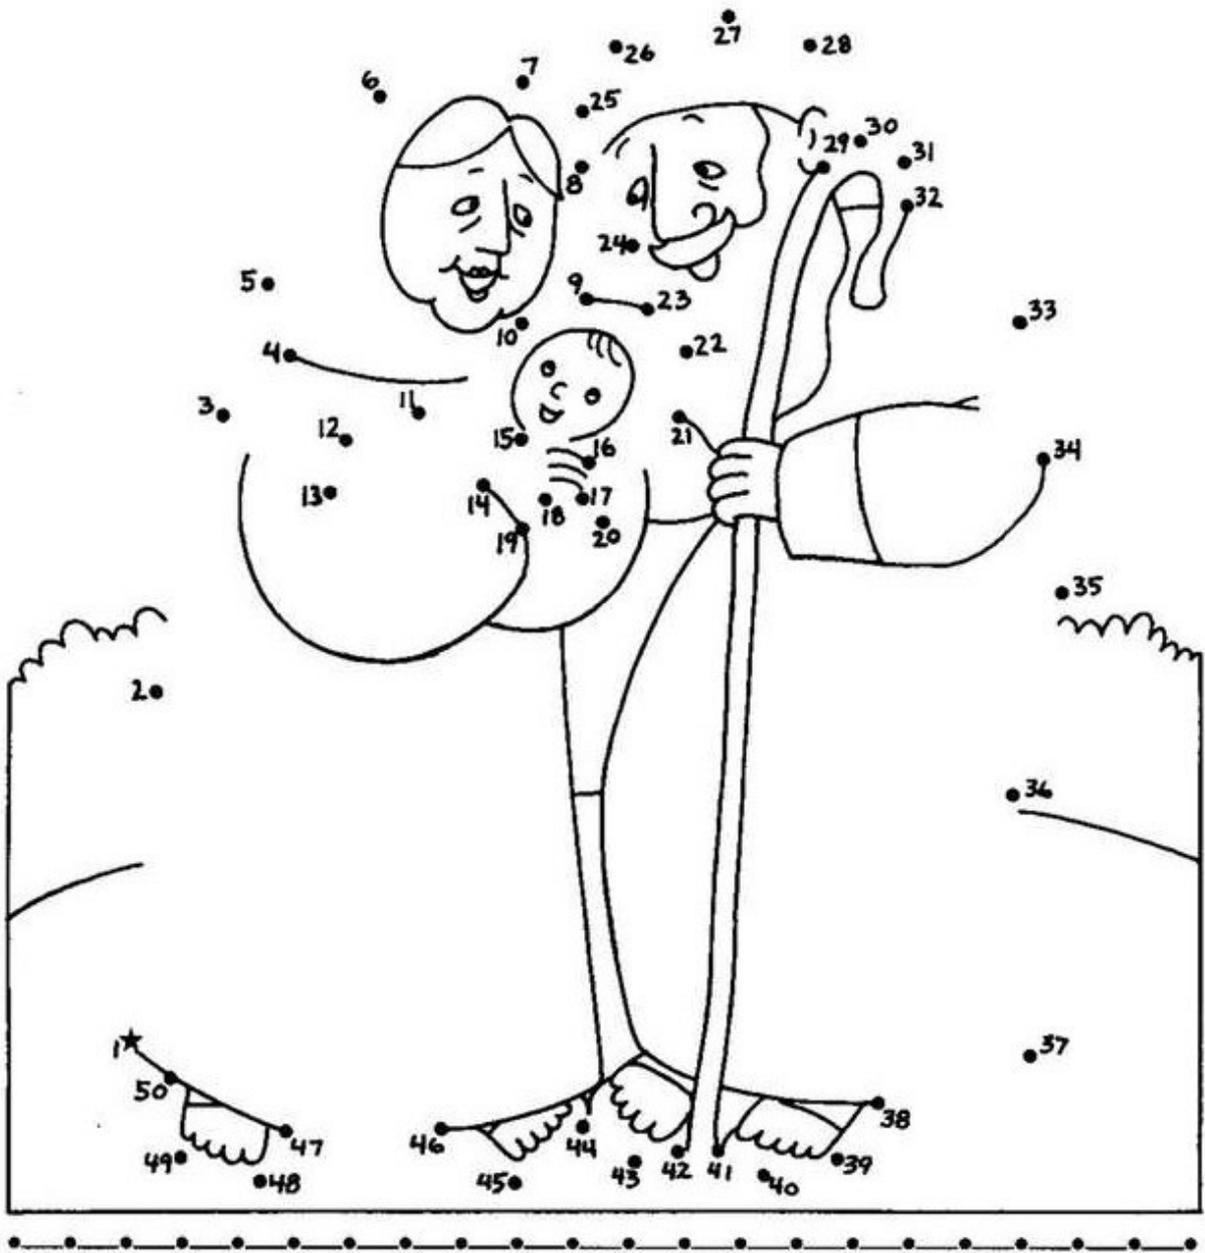

Craft: Join the dots and colour in the picture.

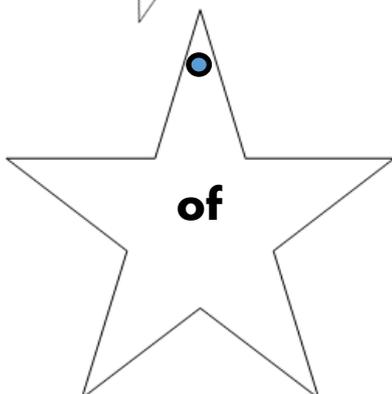

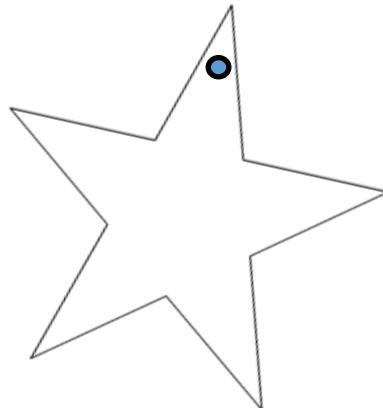

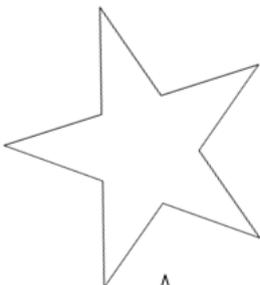

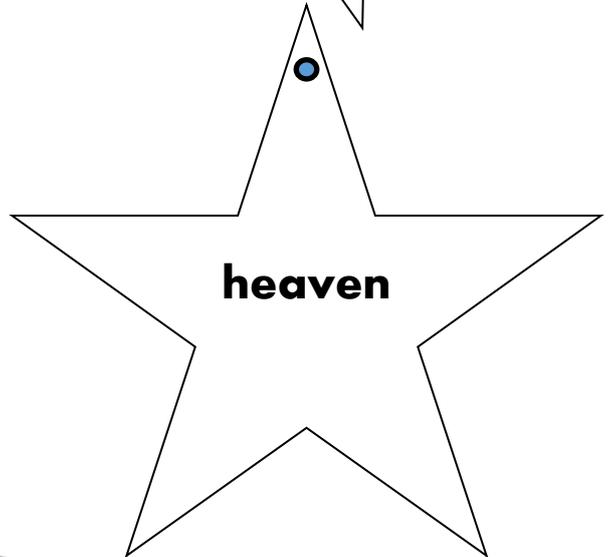

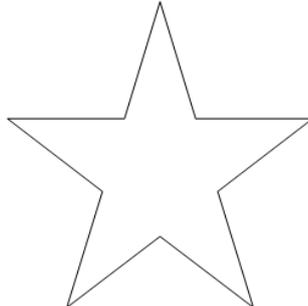

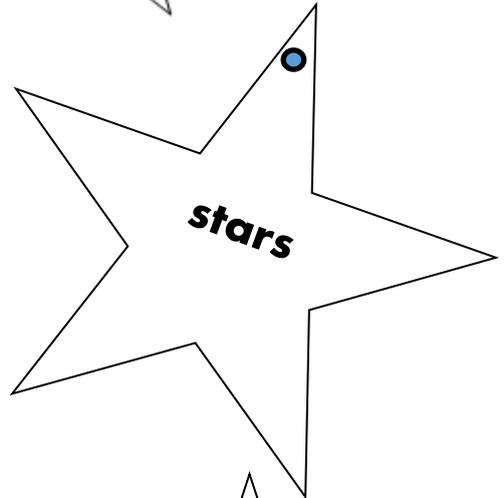

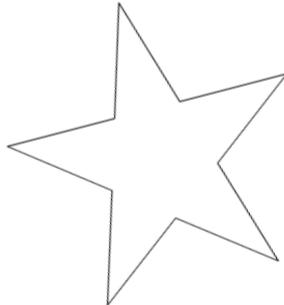

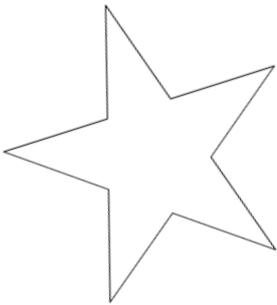

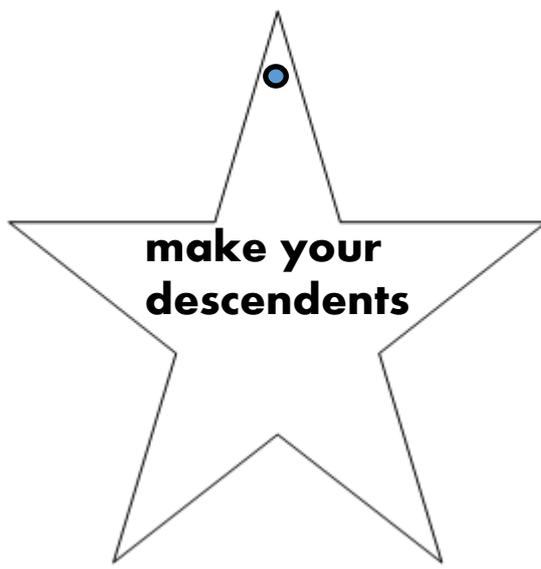

Then using the template make the stars mobile to hang in your room. It will help you to remember that nothing is impossible for God.

Prayer time: - Praying for our journey with God. Stand on a piece of paper and trace around your foot. What do you find difficult to do at the moment? Write it on the outline of your foot. Ask God to be with you and help you on your journey with Him.

Song: [I will trust in you.](#) - Performance

Decorate and cut out these stars. Make a mobile, using a cardboard plate or disk and some cotton thread.
