

Week 2 - Adam and Eve

Hello. Can you remember the story we looked at last time?

It was the story of creation and the amazing things God made. Can you remember something God made in the story? Have a think about some of the pictures we found and stuck to the world. This week we are looking at what happened next in the bible. It's the story of Adam and Eve, which tells us about when something bad happened to spoil what God had made

Resources: white plates, cardboard for trunk, glue-stick, green pencils or crayons, scissors and apple templates to cut out

Stick the top of the tree and the trunk together. Colour in the top of the tree and stick on apples.

Adam and Eve -

<https://www.youtube.com/watch?v=PBpCA2nxG8>

Beginning at the Adam and Eve Story 2:17 to the end

Sorry prayers.

Resources: Paint pads made with water based paint and kitchen sponge, apple outlines, soap and water!

Put your fingers on to the paint so that they are covered in ink. Make finger-prints on the apple outline, saying sorry to God for a naughty choice you have made. Look at your hands. Notice that they are dirty. Now give them a really good wash. This reminds us that when we say sorry to God, He washes all of the wrong things away, and there are no marks left because we have been forgiven.

Now place your hand on a plain piece of paper and draw around it.

On it write Thank you God that you love me so much.

Then cut around the outline carefully.

During this time and for very different reasons we are all having to wash our hands a lot aren't we? Lets make it an opportunity to remember just how much we are loved.

Praise time: Lets sing and dance together

My Lighthouse https://www.youtube.com/watch?v=OaW_4MWSE6I

I am special, loved, accepted and forgiven <https://www.youtube.com/watch?v=O72j8Cc1XG8>

and make sure you create some great dance moves to this one!

Colour in the picture of Adam and Eve in the garden and put into your bible book, with your hand prayer.
