

What do we really need?

Do you have toys that you don't play with any more, clothes that you've grown out of, but are still in your wardrobe. Do you have lots of stuff that you don't really need?

Jesus told stories about how we need to rely on God more, and ask him for what we really need and at the same time share with others so that they have what they need. He said, 'don't worry about getting more and more stuff, and keeping up with everyone else'.

So today, think again about what you actually need to be a follower of Jesus and what God needs from you to make this world a better place for everyone.

Story: [Don't Worry](#) - Saddleback Kids

Craft: Use the template provided to help you to create your own poster, to remind you about today's bible story.

Cut out the pictures and stick them on to a coloured piece of paper. Draw a large flower to put into the centre, you could use cupcake cases to make the petals of the flower, so that they stand out from the page. Don't forget to add the word YOU! in your own style using the flower as the 'o' in the middle.

Song time: [He's got the whole world in his hands](#) - I Character

[Seek ye first](#) can be sung as a two part round

Prayer time:

When we are worried we can always pray and tell God about it. We can trust that He will hear us when we tell him what we **need** and ask for his help.

Are you worried about anything at the moment?

What do you think that you or others need God's help with.

Be quiet for a short time and tell him about it now.

Activity Scavenger hunt: Try out the Nature Scavenger hunt with your family and in the final box draw a picture of something else that you discover along the way that will remind you of God's love.

Our bible story today reminded us that God's loves all the things that he made, including each one of us. He wants us to keep learning about him and looking for things in the world that show us how much he cares about all of creation. He wants us to try not to worry about the things that we do not have but be thankful for the things that we do have, and to ask his help to live in a good way.
