

Daniel

Daniel was a hard worker, When he did something he did it as well as he could and didn't settle for second best. This earned him the respect of the king, but at the same time made him unpopular with those he worked with as they were seen to be lazy and untrustworthy.

In today's story we read how they tricked the king into arresting Daniel, as they knew that the other thing that Daniel took seriously was spending time with God in his daily prayers. Worship was important for Daniel, and just as Daniel loved God and would do anything for him so we shall see how God loved Daniel and was able to protect him.

Craft: Daniel was faithful and brave when others did not want him to keep worshipping God. Using this as an idea, design your own wall hanging, as a reminder of Daniel's story and to help you to be faithful and brave too.

Prayer time:

Loving God,
time spent with you is time well spent.

It is good to talk with you and listen to what you have to say
both in our prayers and in our bible stories.

Help us to make time to be quiet with you
so that we learn more about your love and care.

And then help us to do the right thing
even when it is difficult. Amen.
