

Promise - Advent 2

God always keeps his promises. The bible is full of promises that God has made. Promises to love and care for us, promises to send us all the help we will need to do what we need to do. And to live as a follower of Jesus is to trust God's promises and to be patient if things don't happen as quickly as we would want.

And God's promises are for everyone. The Shepherds didn't think that God's promises applied to them, they thought they weren't good enough. But God chose them to be the very first to find out that the baby Jesus was born, and that he would be their Saviour and help them to find out more about God's love and care.

Prayer time

Loving God we thank you that we can trust you
for you always keep your promises.

You promised us someone who would tell us about your love
and more than that show us how to love and care for others

We thank you for Jesus, the promised one.

Help us to always keep our promises, so that others will trust us
and listen to us when we tell them about God's love.

Advent ring craft

This week add a label which says **Promise** to the second candle, add it to your ring and 'light' the candle with tissue paper flames and add it to your advent ring

Begin to make some Christmas cards to send to friends, so that you can share the hope and promise of Christmas with them.

The Shepherds were told that God had kept his promise and a Saviour was born who could help them make a fresh start.
